

NHS Breast Screening Programme

Over the coming weeks, women between the ages of 50 and 70 who are registered with this GP practice, will receive an invitation in the post inviting them to attend a routine breast screening check at either of the following locations:

WOS Breast Screening Centre or **Mobile Screening Unit**
Stock Exchange Court, **Cuthbertson Building Car Park**
77 Nelson Mandela Place **Glasgow Royal Infirmary**
Glasgow, G2 1QT **G31 2ER**

When you receive your invitation letter, please contact the Breast Screening Service on **0141 800 8800** to confirm/change/cancel your appointment.

Our staff will be able to answer any questions you may have.

If you are able to attend your appointment it's important to do so. Screening can find early signs of cancer and allows us to provide referral and treatment if necessary.
